JC02 Rec'd PCT/PTO 27 JAN 2001

TO ALL WHOM IT MAY CONCERN:

Be it known that I, Iancu Lungu, residing at Str. Trapezului nr. 5 G1A ap-40, RO-74381 Bukarest 3, Romania, a citizen of Romania, invented a new and useful Stator of an electronically switched two-phase reluctance machine of which the following is a specification.
